NARRATIVE:

On 11/27/2018, I, Detective J. Davidson, received an e-mail from Sgt. T. Parker requesting me to investigate the allegation of misconduct by Brian and Monica Campbell on their children. These allegations were brought forth by the Department of Child Safety (DCS) Office of Child Welfare Investigations (OCWI), more specifically Investigator Robert Denney.

I made telephonic contact with Mr. Denney informing him I would be the Detective assigned to this case. Mr. Denney provided me with a DCS report. The report states the following: (Campbell) reported that the children were made to stand naked in the middle of the house as a form of discipline. They would be hit with a wooden stick leaving bruising on their buttocks. She was made to sleep in her parent's bedroom naked with (Campbell) and (Campbell) as a form of discipline. Mother (Monica Campbell) and Father (Brian Campbell) once withheld food from and herself for 3 (three) days. Mother and Father would make the children stand up for long periods of time. She indicated that all of the adopted children in the home would receive this type of discipline. Each time DCS responded to the home previously the children were coached on what to say. KNOWN". DCS Investigator Robert Denney. Refer to the attached DCS report for further information.

On 11/30/2018, I attempted to contact Campbell, at the address of Double Adobe Rd., in McNeal, AZ. I was informed wasn't home, I left my business card with Bruce Tassin Jr.

Shortly thereafter, I received a telephone call from Bruce Tassin Sr. I informed Mr. Tassin, I was currently driving and would call him back.

I later met with Mr. Denney at the Douglas Sheriff's Office Substation, as this is where my office is located. (Note: I was accompanied by Detective J. Hoke). While at my office, I contacted Mr. Tassin via telephone. Our conversation was recorded via audio.

During our conversation, Mr. Tassin began to explain his son, [redacted] went to high school (Valley Union High School) with [redacted] Campbell. Mr. Tassin said his son [redacted] mentioned to him she had been having problems at home. Mr. Tassin told me one day she [redacted] knocked on his door asking to spend the night. Mr. Tassin said his son [redacted] briefly explained to him [redacted] was in an abusive household.

Mr. Tassin said he went to the school the following day to speak with them (School). Mr. Tassin said they (Valley Union High School) gave him basic information. The information provided to Mr. Tassin was that the Valley Union High School contacted the Department of Social Services on four (4) to five (5) different occasions. Mr. Tassin said every time they (DCS) went over there (Campbell's residence) the kids would lie.

Mr. Tassin said he spoke with [redacted] and she explained they were scared; using the example, what's going to happen to me when I get home. Mr. Tassin said his wife and he agreed to give [redacted] a place to stay and has since been there (Mr. Tassin's residence) for eight (8) months.

Mr. Tassin said [redacted] exhibited things as an abused kid. He explained she had no feelings, never shed a tear and never expressed herself in the manner a young female should be expressing herself.

Mr. Tassin said he ran into Brian Campbell at the Double Adobe Store and Brian had three younger kids with him. Mr. Tassin said the kids were standing behind him at attention and found that to be weird. Mr. Tassin said the kids asked him if what he was buying was for supper. Mr. Tassin told me Brian said no, he was going to cook it and feed it to the cows. Mr. Tassin said Brian told Jerry, the store owner, how would you like to have a bunch of leeches? These are just leeches that just leech off him.

Mr. Tassin said he and his wife have noticed weird things that didn't add up, such as regression for [redacted] age. Mr. Tassin explained sometimes acted as though she was fourteen (14), fifteen (15) and sixteen (16) year of age. Mr. Tassin said [redacted] wasn't able to speak about her feelings.

Mr. Tassin explained he and his wife decided to meet this head on and said they have eight (8) kids and seventeen (17) grandchildren. Therefore, they have been through a lot of stuff.

Mr. Tassin explained it was decided that [redacted] needed help. Mr. Tassin said they put [redacted] in counseling. Mr. Tassin told me, things have been unfolding such as, [redacted] told him she had a brother, named [redacted] who did something violent to get out of there.

Mr. Tassin said [redacted] found out that a lady from Child Protective Services was going to come to see her at which point she started regressing. Mr. Tassin told me, all the work they had been doing with her, and she now started going back to old habits, not telling the full story. Mr. Tassin explained they taught her about omission, lying by omission.

Mr. Tassin stated that [redacted] was sleeping with her clothes on. Further explaining that [redacted] sleeps with her clothes on because they had cameras in her bedroom. Mr. Tassin said [redacted] told him and his wife, they have had a camera in her bedroom since she was sixteen (16) years old and used to have to get dressed in her closet. Mr. Tassin said if [redacted] was in the closet too long the momma would run in there and yank her out of there.

Mr. Tassin told me the second night there, grabbed her blanket, he stated she was eighteen (18) years old, and crawled into the bed between him and his wife. Mr. Tassin said he was like "whoah". Mr. Tassin explained they let her stay there and the following morning they sat down to talk to her

Mr. Tassin said told them that many times she was forced to sleep on her parent's (Campbell) bed. Mr. Tassin told me he asked if they ever let her crawl into their bed and/or comfort you? Mr. Tassin said told them no.

Mr. Tassin explained yesterday a DCS caseworker (DCS lady) spoke to

Mr. Tassin said the DCS caseworker told that she didn't think the Campbell's would let her (Caseworker) see the kids as she requested. Mr. Tassin told me that the caseworker requested to get with her brother, to find out what went on in the house. Mr. Tassin said then broke down.

Mr. Tassin said told him she was made to stand naked in front of them. I asked Mr. Tassin if she disclosed how many times this occurred. Mr. Tassin replied, quite a few. Mr. Tassin explained was accused of cutting her mom's clothing and trying to kill her. Mr. Tassin said he asked who the instigating party was? He said told him her mother. Mr. Tassin told me said to him that her dad would just not say anything explaining to him her dad was 'balls less' against her mother and he just did what he was told.

Mr. Tassin said was made to dig a four (4) by four (4) foot hole five (5) feet deep. Mr. Tassin also said was made to run until they almost passed out because neither of them would admit to breaking something in the house.

Mr. Tassin advised he would speak with about speaking to me and would call me back.

Shortly thereafter, Mr. Tassin called me back and informed me was willing to speak with me. I scheduled an interview for Monday, December 3, 2018, at 1300 hours.

This is a summary of the interview with Mr. Tassin, refer to audio recording for further details.

On Saturday, December 1, 2018, while I was off duty, contacted me via my work-issued cell phone telling me she would not be able to assist in this case but wished me good luck.

STATUS: Pending

Evidence: All Audio and video will be entered as SEALED evidence once case is complete.
